  - a. True
  - b. False
15. The abbreviation for International Classification of Diseases, 10th Revision, Clinical Modification is:
  - a. ICD-10-CM
  - b. ICD-9
  - c. ICD-10

## Lesson 1 Homework – ICD 10 Review

d. COD-10R-CM

16. Which of the following best describes the purpose of "Excludes1"?
  - a. Not coded here
  - b. Appears immediately under a three character code title for further definition or to give examples of what is included in the category.
  - c. A type 2 note represents 'Not included here'. An Excludes2 note indicates that the condition excluded is not part of the condition represented by the code, but a patient may have both conditions at the same time. When an Excludes2 note appears under a code, it is acceptable to use both the code and the excluded code together, when appropriate.
  - d. List of terms that are included in some codes
17. How many chapters does the ICD-10-CM tabular list of disease contain?
  - a. 21 chapters
  - b. 22 chapters
  - c. 12 chapters with 2 supplementary classifications of V and E codes
  - d. 17 chapters with supplementary classifications for V, E and Z codes
18. ICD-10 was created by the:
19. What is the code range for ICD-10-CM Chapter 2 (Neoplasms) ?
  - a. A00-B99
  - b. C00-D49
  - c. G00-G99
  - d. H00-H59
20. ICD-10-CM codes have a maximum of how many characters?
  - a. Eight
  - b. There is no limit to the number of characters for ICD-10-CM codes
  - c. Five
  - d. Seven
21. In the ICD-10-CM manual, the title of Chapter 14 is:
  - a. Neoplasms
  - b. Disease of Genitourinary Systems
  - c. Infections
  - d. Diseases of Eye and Adnexa
22. The abbreviation NEC in ICD-10-CM means
  - a. other specified
  - b. not elsewhere classified

## Lesson 1 Homework – ICD 10 Review

- c. medical record provides detail for which a specific code does not exist
  - d. all of the above
23. Which of the following best describes my goal as a coder?
- a. Receive training necessary to correctly translate diagnostic statement to ICD diagnosis codes. Correctly assigns codes most of the time.
  - b. Apply knowledge of ICD Official Guidelines to all code selections. Utilize "AHA Coding Clinics" where available and applicable.
  - c. Excellent command of terminology, anatomy and pathophysiology and utilizes both the ICD Official Guidelines and the "AHA Coding Clinics" as applicable.
24. [ ] - Brackets are used to:
- a. to enclose synonyms in the Tabular List
